

The Valley Forge Singers Contract 2009-2010

The Valley Forge Singers is a select chorus for students who are interested in more challenging music and performances. We strive for the highest level of excellence we can achieve!

There are requirements that must be in place to allow the Valley Forge Singers to reach our goals. These rules also prepare singers for participation in future choruses/choirs. Students who do not meet these requirements may be asked to continue only in the 7/8 chorus.

Each singer will be assigned a chorus folder for which they are responsible. Folders will be turned in before the spring concert. There will be a \$10.00 fee for lost folders and music.

All Valley Forge Singers must sign and return this contract, witnessed by a parent or guardian. Return the contract to Miss Brocklebank by the end of September.

I am dedicated to the Valley Forge Singers' goal of musical excellence. Therefore, as a member of The Valley Forge Singers I will:

1. attend all rehearsals on Wednesday, Thursday and Friday mornings.
2. arrive at rehearsal at 7:15 a.m. and be ready to sing at 7:20 a.m.
3. attend all sectional rehearsals held during activity periods.
4. bring my folder and a pencil to all rehearsals.
5. attend all performances of The Valley Forge Singers.
6. strive to be an outstanding member of The Valley Forge Singers.
